

WELCOME

I would like to take this opportunity to welcome each of you and your families to the IES/DMS PTO. As the PTO President it is my responsibility to talk with you about getting involved in the school. But first, since this may be the first time at Ionta/Delahunty for many of you, I think that it is important to explain what PTO is all about.

It is important to note that you will automatically become a member of the IES/DMS PTO. In fact, all parents or guardians of children attending Artman, Ionta, or Delahunty, as well as each member of the professional staff, are members of the Parent Teacher Organization and are encouraged to participate in its activities. We are an independent organization and we do not belong to any state or national affiliation or support any political platforms and we keep all of the funds that we raise for our school, for our kids.

The IES/DMS PTO's mission is to promote open communication and understanding between parents and staff of Ionta Elementary/ Delahunty Middle School.

We don't expect a huge time commitment from volunteers. An hour can be a big help to our group and the school, and we have positions and tasks to fit all schedules and interests. Just let us know whether a program, event, or activity interests you and when you might be free to help.

Research shows that students whose parents are involved in their education have better grades and fewer discipline problems. Involvement at the school also makes it easier to establish friendships with teachers and other parents. We promise that the time you give our group and the school will be worth your while—and fun!

Parent volunteers help with all types of school programs, class events, class parties, field trips, and learning activities. All volunteers **MUST** have proper clearances in order to participate.

Follow this link for information about obtaining your clearances:

Once you have completed the necessary steps and received your paperwork, you must submit the information to the school. It can be taken directly to the Central Administration office or sent in with your child in an envelope marked "clearances". It will take several days for the information to be entered in the system.

*****If you have completed clearances for your place of employment (such as another school district) you will still need to submit the necessary paperwork to Hermitage*****

Fundraising - Membership Drive Option

Artman PTO is a non-profit organization that relies on the monies earned by our fundraising efforts and donations to provide a broad range of school activities (field trip, assemblies, and the End of Year celebration), supplies and other items (RIF books, birthday books) to our children and their classrooms. We raise money through fundraising efforts and direct donations from the members of the school community.

However, we understand that not everyone wishes to participate in fundraisers such as cookie dough and candy. So, we would like to make you aware of an alternative way to provide funds to the PTO: through a direct donation.

Just like other money raised by the PTO, these direct donations will be used to fund the purchase of various supplies and services needed by our children and their classrooms.

If you wish to make a direct donation, please use the form below. Please make checks payable to Artman PTO, place the form below and your check/cash in an envelope marked Artman PTO and send it to school with your child.

If you have any questions please contact: Sara Emmorey 989-424-5144

The success of the PTO is only possible with the help of our parents, teachers and staff.

As always, we appreciate your support.

Sincerely,

Hermitage 2021-22 PTO Board Members
